

PROPOSAL 187 - 5 AAC 57.120. General provisions for seasons, bag, possession, annual, and size limits, and methods and means for the Kenai River Drainage Area. Allow only barbless, unbaited, single-hook gear on the Kenai River from January 1 – August 1, as follows:

Only a single, unbaited barbless hook, lure, fly, or attractant may be used from January 1 through August 1 on the Kenai River.

What is the issue you would like the board to address and why? The issue I would like to address is the continual low escapement of Kings into the Kenai River. The measures that have been implemented have not worked.
