PROPOSAL 202 - 5 AAC 77.540. Upper Cook Inlet Personal Use Salmon Fishery Management Plan. Extend the Cook Inlet personal use dip net fisheries to the 2nd Sunday of August, as follows:

By extending the "Personal" use Dip Net fishing to the 2ed Sunday of August it would allow a better safer use of the Cook Inlet and river salmon fisheries.

What is the issue you would like the board to address and why? Safer dip net fishing.
