**PROPOSAL 34 - 5 AAC 58.022. Waters; seasons; bag, possession, annual, and size limits; and special provisions for the Cook Inlet – Resurrection Bay Saltwater Area; and 5 AAC 56.122. Special provisions for the seasons, bag, possession, annual, and size limits, and methods and means for the Kenai Peninsula Area.** Allow party fishing in Cook Inlet salt and freshwaters for all species except king salmon, as follows:

**What is the issue you would like the board to address and why?** 100% of private anglers & 95% of guided anglers party fish for most species, current rules make criminals out of all them, Tis rule is also non-enforcable for private anglers, & only enforceable on guided anglers if there iran undercover cop nearby or onboard the vessel. When fishing for abundant species with high bag limits such as black rockfish, sockeyes, pinks & others it is almost impossible to keep track of which individual anglers caught what & how many, example is 5 anglers fishing for pinks with limit of 6, it is easy to count to 30, but is very easy to lose track of how many each individual angler has retained.
