

PROPOSAL 62 - 5 AAC 18.350. Closed waters. Close all waters within a 1,000 yard radius of the terminus of Ayakulik River to commercial salmon fishing June 1- July 15, as follows:

Amend 5 AAC 18.359.(a) (A) All waters within 1000 yard radius of terminus of Ayakulik(Red) River closed to Commercial salmon fishing June 1-July 15.

What is the issue you would like the board to address and why? I would like to address King salmon by catch in Kodiak Management Area Inner Ayakulik section. There needs to be a conservation measure to provide a buffer zone for King salmon escapement on the Ayakulik river. The run is severely depleted and has not made even the lower escapement for the last 3 consecutive years.
