

RC080

1/14/18

Dear Chairman Jensen and Alaska Board of Fisheries member,

My name is Charles Clement Sr—owner/operator of the F/V Four Seasons.

I have been an area 1 - Tree Point fisherman for 50 years, which puts me in the 70 yr old category—I expect to fish for several more years.

I oppose the seine proposal to re-enter the Nakat terminal area. Although I do not fish that area, several of my friends do, and the release site contributes to the outside open ocean fishery that I participate in.

I also support the proposals by USAG, which I am a member of—proposals 141, 154, 157, 160, 169, and 170--and their comments about other proposals.

Sincerely

Charles Clement Sr
