

Eric Jordan

RC 219

1. **Substitute Language for Proposal 174.** After discussions with ADF&G staff, the sponsors of proposal 174 have agreed to modify the proposal.

5 AAC 29.114. DISTRICT 12 AND DISTRICT 14 ENHANCED CHUM SALMON TROLL

FISHERIES MANAGEMENT PLAN. Establish commercial fisheries targeting enhanced chum salmon using troll gear in portions of District 9 and 10 as follows:

5 AAC 29.114: District 9, 10, 12, and District 14 Enhanced Chum Salmon Troll Fisheries Management Plan. The purpose of the management plan in this section is to give the department direction for the orderly development of enhanced chum salmon troll fisheries during the directed troll fisheries in Cross Sound, Icy Strait, Northern Chatham Strait **and in the waters of Districts 109 and 110 enclosed by a line extending from one mile north of Cornwallis Point Light at (56°56.80' N. lat., 134°16.43' W. long.) to Pinta Rocks Light (57°05.15' N. lat., 134°0.76' W. long.) to Cape Bendel (57°04.27' N. lat., 134°0.76' W. long.)** while providing for the conservation of wild stocks.
