Dear Chairman Jensen and Alaska Board of Fisheries Members,

Thank you for taking time to read this:

my name is Patrick Luck Dunbar Jr, I am a 3rd Generation Gillnetter from Haines, AK. I am a permit holder for a SE Gillnet, and have been fishing the last six years. I am a USAB member, and a firm believer in proper fish management.

I oppose the USAB and SEAS BOF 2018 Agreement RC 153.

As a Lynn Canal fisherman Proposal 155 is devastating to our fleet. I oppose proposal 155. Please don't sacrifice our runs to harvest more fish in Sitka and Anita by Seiners.

Thank you again for your time.
