Dear Chairman Jensen and Alaska Board of Fisheries members,

I am a Southeast Alaska Gillnetter. I fish aboard my boat the Miss Allison. I am writing to state my dissatisfaction for any proposal that severely limits, and effectively destroys, gillnetters access to fishing Deep Inlet. Two days per week is not enough time for a viable gillnet fishery in Deep Inlet. Please strike down any proposal that restricts access to Deep Inlet to all gear groups.

Sincerely,

Michael Bujacich
