

Proposal 144

Clean substitute regulation language submitted by Eric Jordan.

Change one word in existing regulation: [shall] to **may**.

5 AAC 33.376. District 13: Deep Inlet Terminal Harvest Area Salmon Management Plan.

(b)

(2) salmon may be taken by troll gear when the waters described in this subsection are closed to commercial net gear.

(3) the commissioner [shall] **may** close the seasons in the waters described in this subsection to trolling during hatchery cost recovery periods.
