

**PROPOSAL 143**

**5 AAC 09.366. Post-June Salmon Management Plan for the South Alaska Peninsula.**

Repeal the immature salmon test fishery in the Shumagin Islands Section, as follows:

Repeal 09.366(i) from the post June management plan.

**What is the issue you would like the board to address and why?** Lost fishing time and money caused by closures brought on the immature test fishery. What fish are being saved? Where are they going?

**PROPOSED BY:** Sand Point Fish and Game Advisory Committee

(HQ-F18-069)
