

**PROPOSAL 39**

**5 AAC 06.358. Wood River Sockeye Salmon Special Harvest Area Management Plan.**

Open the Wood River Special Harvest Area to both set and drift gillnet gear after July 17, as follows:

(5) when the Wood River Special Harvest Area is open under (c)(3) of this section, the Wood River Special Harvest Area will be **open to both gear groups regardless to allocation after July 17th when allocation goes away everywhere as in** 5 AAC 06.367(b) for the Nushagak District.

(e) The commercial salmon fishery in the Wood River Special Harvest Area may be opened only during closures of the subsistence salmon fisheries within the Wood River Special Harvest Area.

**What is the issue you would like the board to address and why?** (5) when the Wood River Special Harvest Area is open under (c)(3) of this section, the Wood River Special Harvest Area will be [ONLY OPEN FOR THE GEAR GROUP THAT IS BEHIND IN THE ALLOCATION SPECIFIED IN] 5 AAC 06.367(b) for the Nushagak District. (e) The commercial salmon fishery in the Wood River Special Harvest Area may be opened only during closures of the subsistence salmon fisheries within the Wood River Special Harvest Area.

If allocation truly goes away after July 17th then it should go away in the Wood River Special Harvest Area as well.

**PROPOSED BY:** Nushagak Fish and Game Advisory Committee
