PROPOSAL 81

5 AAC 74.010. Seasons, bag, possession, and size limits, and methods and means for the Tanana River Area.
Increase the bag and possession limit of salmon, other than king salmon, in the Tanana River Area, as follows:

Allow the harvest of 3 of each species of "other Salmon" instead of a combined limit of 3.

What is the issue you would like the board to address and why? Currently if one is fishing in an area with both Silvers and Chum, the combined limit is 3 fish. If it is biologically sound to take 3 Silvers and 3 Chum, an Angler should not have a combined limit and should be able to take 3 of each species if they desire.
