PROPOSAL 161
5 AAC 57.140. Kenai River guiding and guided fishing requirements in the Kenai River Drainage Area.
Allow sport fishing from a guide vessel on the Kenai River on Mondays in August, as follows:

Allow guided anglers to fish from a guide vessel on Mondays for coho salmon in August on the Kenai River.

What is the issue you would like the board to address and why? Guided anglers not allowed to fish on Mondays in August on the Kenai River, this regulation was adopted at a previous BOF meeting for conservation concerns during a down cycle. This conservation concern is no longer applicable and should be reversed. ADF&G has plenty of tools in the tool box to deal with a conservation concern thru an EO.
