You may comment on the proposed regulation changes, including the potential costs to the private persons of complying with the proposed changes, by submitting written comments limited to no more than 100 single-sided or 50 double-sided pages to the ADF&G, Boards Support Section, at P.O. Box 115526, Juneau, AK 99811-5526. Written comments limited to 10 single-sided or 5 double-sided pages in length from any one individual or group are accepted after the two-week deadline and inserted in board member workbooks at the beginning of the meeting, and are also accepted during the meeting and until the board begins proposal deliberations.

Individuals not in attendance at a meeting may fax comments to 907-465-6094. Once proposal deliberations begin, the board will **ONLY** accept written comments on the topics being considered at the meeting from any one individual or group that are not more than five single-sided pages, or the equivalent number of double-sided pages, unless specific information is requested by the board that requires more pages than allowed under this standard.

Each meeting will generally start at 8:30 a.m. on the first day of the meeting dates below unless the board directs a different start time. The public oral testimony period of each regulatory meeting begins after staff reports and continues until everyone who has signed up on a timely basis and is present at the meeting has an opportunity to be heard. The board will take oral testimony only from those who register before the cut-off time announced by the board chair at each meeting. The length of oral statements may be limited to three minutes or less. Additional public hearings with board committees may be held during the meeting. COVID-19 Mitigation Plan. During its 2020/2021 meeting cycle, due to the COVID-19 global pandemic the board postponed its regulatory meetings to 2021/2022. In 2021/2022 meeting cycle, it is the intent to conduct the postponed meetings in-person. At this time it is difficult to predict what complications related to COVID-19 will persist for the meetings.

Individuals wishing to attend in-person meetings are advised ADF&G will employ a COVID-19 mitigation plan. The plan will allow for a range of mitigation measures depending on the status of COVID-19 in the state and meeting community. The plan may involve participant registration and

agreement to abide by mitigation measures at the meeting. The mitigation plan was published prior to the October 2021 work session and ADF&G will communicate with interested participants leading up to and during the meeting.

If you are a person with a disability who needs special accommodation in order to participate in the proposed regulation process, please contact Glenn Haight at (907) 465-4110 no later than two weeks prior to the beginning of each meeting to ensure necessary accommodations can be provided.
