Alaska Board of Fisheries Issues Revised 2022/2023 Meeting Schedule

***Correction for Alaska Peninsula/Aleutian Islands & Chignik Areas finfish meeting.
New dates: Feb 20-25, 2023. Meeting venue changed to Anchorage's Dena'ina Center***

At the Alaska Board of Fisheries (board) work session October 20–21, 2021, the board discussed and approved revisions to its 2022/2023 meeting schedule. However, the meeting summary and schedule that were subsequently released did not accurately reflect the dates adopted by the board for the meeting regarding Alaska Peninsula/Aleutian Islands and Chignik Areas finfish fisheries. This revision to the board's 2022/2023 meeting schedule corrects those meeting dates, as follows:

Revised meeting dates and location:

Alaska Peninsula/Aleutian Islands and Chignik Areas finfish
February 20-25, 2023[6 days]
Dena'ina Center, Anchorage
600 W 7th Ave, Anchorage, AK 99501

A revised meeting summary for the October 2021 work session has been posted to the board's web site at https://www.adfg.alaska.gov/static/regulations/regprocess/fisheriesboard/pdfs/2021-2022/ws/summary_of_actions_revised.pdf
