

My name is Carrie Hollier. I am an Alaskan resident lifelong Set Netter on the East side of Cook Inlet. I own two Set Net permits. I am in huge support of RC numbers; 112, 113, 123, 128. Thank you for your time and consideration. My family has been invested in the Set Net fishery since my father started fishing in the 1970's. He has devoted his heart and soul to trying to keep our fishery afloat. We are asking for an opportunity to fish four short openers for a chance to harvest sockeye based on abundance.

Thank you,

Carrie Hollier
