My name is Jayden Hollier. I am fourteen years old and have spent every summer of my life on the shores of Cook Inlet at my family's commercial fishing site. I love every second of being at the beach, learning from my mom, dad, and grandfather the ways of the fishery. I am very much in support of RC's 112, 113, 123. 128. Thank you.

Sincerely,

Jayden Hollier
