

Aloha,

My name is Troy Hollier. I am 12 years old and currently have two set net permits in my name in Upper Cook Inlet. My summers have consisted of living me best life on the shores of Cook Inlet fishing with my family. My Grandpa Fish has shown me so much about our fishing operation. I cannot wait to one day show my children this way of life. I am writing to show my support for RC 112, 113, 123, and 128. Thanks for all your hard work.
