This index of on-time advisory committee and public comments shows either SUPPORT or OPPOSITION for the individual proposals at this meeting. The center column indicates a comment was made but without a clear indication of support or opposition, the notation of "w/Am" indicates the author supports amending the proposal. The reference number (ACxx or PCxx) refers to the Advisory Committee comment number or Public Comment number. The full comments as submitted can be found in RC001. Comments that do not specify a proposal number may not be cross referenced below if it is unclear which proposal the submitter is referencing.
