

PROPOSAL 51 - 5 AAC 92.010. Harvest tickets, and reports; and 92.130. Restrictions to bag limit. Modify bag limits for nonresidents accompanied by a resident relative as follows:

5 AAC 92.130 (new subsection):

A guide required species under AS 16.05.407(a) taken by a nonresident personally accompanied by a resident relative under AS 16.05.407(a)(2) will count as the bag limit of both the nonresident and the resident relative who accompanies the nonresident.

5 AAC 92.010(a)(new subsection):

A nonresident may take guide required species under AS 16.05.407(a) on behalf of a resident relative permit holder who personally accompanies the non-resident under AS 16.05.407(a)(2).

What is the issue you would like the board to address and why? We would like to address second degree of kindred provisions with a regulation that is modeled off of the current "youth hunt" bag limits and harvest requirements.
