

**PROPOSAL 100 – 5 AAC 92.050(a)(4)(I). Required permit hunt conditions and procedures.** Remove the requirement for Unit 13 Tier I caribou hunters to hunt moose in Unit 13 as follows:

Remove Unit 13 Tier I caribou requirement to hunt moose in Unit 13.

**What is the issue you would like the board to address and why?** Remove the Unit 13 Tier I caribou requirement to hunt moose in Unit 13. This requirement was originally put in thinking that less people would choose to hunt caribou in Unit 13 if they had to hunt moose there also. We think this requirement that we originally supported backfired and now there are more folks hunting moose because of this requirement. As the number of Tier I caribou permits increase to now 8,500 permits, we have 8,500 people who now have to hunt their moose in Unit 13 and can't hunt in another unit.
