

**PROPOSAL 24**

**5 AAC 85.040. Hunting seasons and bag limits for goat.**

Clarify the boundary description for the RG014 mountain goat hunt area in Unit 1C as follows:

Units and Bag Limits	Resident Open Season (Subsistence and General Hunts)	Nonresident Open Season
(1)  Unit 1 (C), that mainland portion draining into the south bank of Little Sheep Creek, Gastineau Channel south of Little Sheep Creek, Stephens Passage, and Taku Inlet between the mouth of Little Sheep Creek and Taku Glacier, including that portion <b><u>on the south side of Blackerby Ridge encompassed by a line from Observation Peak west along the ridgeline down to the 1,000-foot contour, east along that contour to the north shore of Salmon Creek Reservoir, north of the main drainage into the head of reservoir following that drainage south and east up to the ridgeline and east to Olds Mountain</u></b> [BETWEEN THE SOUTH SIDE OF BLACKERBY RIDGE AND THE NORTH SIDE OF SALMON CREEK RESERVOIR, ABOVE THE 1,000 FOOT CONTOUR AND EAST TO OBSERVATION PEAK]  1 goat by registration permit Only, and by bow and arrow	Aug. 1—Nov. 30 (General hunt only)	Aug. 1—Nov. 30

only; the taking of nannies  
with kids is prohibited

**What is the issue you would like the board to address and why?** The current description of the portion of the boundary for mountain goat registration hunt RG014 between the head of Salmon Creek Reservoir and Olds Mountain lacks detail, resulting in uncertainty among hunters. The suggested changes add landmarks to help hunters locate the boundary.

**PROPOSED BY:** Alaska Department of Fish and Game
