PROPOSAL 121

5 AAC 92.085. Unlawful methods of taking big game; exceptions.

Allow the use of dogs to hunt big game as follows:

The use of dogs is permitted to hunt, track, and retrieve large game.

What is the issue you would like the board to address and why? It’s currently illegal to use hunting dogs for large game such as deer, bear, etc... It is a method used for thousands of years and completely ethical. It promotes safety, 100% ethical, and still fair chase.
