

PROPOSAL 105

5 AAC 92.052. Discretionary permit hunt conditions and procedures.

Limit hunters to one big game registration permit at a time in Units 7 and 15 as follows:

Add Units 7 and 15 to the areas in regulation that hunters are limited to one big game registration permit at a time.

5 AAC 92.052 (19) a person may be limited to one big game registration permit at a time in Units 1, **7 and 15**, 17, 20(E), 22, and 23.

What is the issue you would like the board to address and why? In Units 7 and 15, there are currently registration goat hunts with limited permit numbers. Each year some hunters pick up more than one registration permit even though it is physically impossible to hunt more than one area at a time. When hunters do this it takes opportunities away from other hunters.
