

**PROPOSAL 115**

**5 AAC 85.040. Hunting seasons and bag limits for goat.**

Divide all Unit 15C goat drawing hunts into two seasons as follows:

Modify all goat draw hunts on Kenai Peninsula units to two draw hunts with the first season August 10 to September 15 and the second season September 16 to October 15

**What is the issue you would like the board to address and why?** The draw goat hunts on the Kenai Peninsula have limited access and although there are low number of tags given out annually, hunters still end up competing with other hunters. Also, given the ability to apply for up to six hunts now has made drawing a tag more difficult in some units. Splitting the draw hunts into two hunts would provide more draw opportunities and reduce crowding at popular access locations.
