

PROPOSAL 185

5 AAC 85.020. Hunting seasons and bag limits for brown bear.

Extend the brown/grizzly bear hunting season in Unit 20A and Unit 20B Remainder to close on June 30, to align with the rest of Unit 20 as follows:

I believe the brown/grizzly season should be open until June 30th across all of Unit 20:

B 20A, 20B, 20C, 20F	One bear every regulatory year Sept 1-June 30
B 20E	Two bears every regulatory year Aug 10-June 30

What is the issue you would like the board to address and why? There is a large and healthy population of brown/grizzly bears in Unit 20 and we need to have the ability to use this resource as well as help our moose and caribou populations through more lenient limitations on brown/grizzly hunting within all of Unit 20.
