

PROPOSAL 73

5 AAC 92.124. Intensive Management Plans VIII.

Reauthorize the Intensive Management Plan for Unit 21E for six years as follows:

Extend the Intensive Management Plan in Unit 21E for six years.

What is the issue you would like the board to address and why? The current Intensive Management (IM) Plan for Unit 21E expires June 30, 2024. The Grayling, Anvik, Shageluk and Holy Cross (GASH) Advisory Committee would like the board to extend the IM Plan for Unit 21E for six years. There will be no changes to the current regulatory language and the plan would run from July 1, 2024 to June 30, 2030.

PROPOSED BY: Grayling, Anvik, Shageluk, and Holy Cross (GASH) Fish and Game Advisory Committee (EG-F23-261)
