

NOTE: The Board of Game repealed this finding on March 19, 2013 during the Southcentral Region meeting by a vote of 7-0.

**Alaska Board of Game
2003-139-BOG**

**A resolution of the Alaska Board of Game Concerning
Management of Kenai Peninsula Brown Bear Mortality.**

Be it resolved that the Board of Game recommends that the Department manage brown bears in Game Management Units 7 and 15 so that total human-caused mortality does not exceed twenty bears per year.

Vote: 7-0

Adopted this 11th day of March, 2003
Anchorage, Alaska

Mike Fleagle, Chair
Alaska Board of Game
