Stay safe in muskox country!

1. **Give space**
   Muskoxen are powerful animals and might become aggressive if you get too close.

2. **Do not surprise**
   Look and listen for signs of muskoxen. Avoid areas that you cannot see well in.

3. **Do not disturb**
   Muskoxen may react defensively, do not approach them.

5. **Caution with dogs**
   Dogs can make muskoxen feel threatened. Keep dogs under control at all times.

6. **Know how to react**
   If charged, move away as fast as you can; run and hide behind something sturdy. Find and tell an adult.
