OBSERVATION INFORMATION

Species	Date(s) Observed	Spawning	Rearing	Present	Anadromous

~CHANGE existing AWC Stream #331-00-10703 "Mud Creek" to existing AWC Stream #331-00-10700 "Kiwalik River", merging the upper and lower portions of Kiwalik River into one continuous stream line.

~CORRECT existing AWC Stream points concurrent with stream-line edits above (AWC #, Type, Name, and species [DUP])

~RELOCATE existing AWC Stream #331-00-10700 mouth point down to approximate location of MLLW.

Comments:

Correct streamlines & AWC #'s at the mouth of the Kiwalik River to simplify and remove extra stream numbers (North Channel Kiwalik #331-00-10694 and Mud Creek 331-00-10703).

Name of Observer (please print):
