**~DELETE existing AWC Stream #212-20-10040-2011-3023 (unsubstantiated).**

**Comments:**

Abandoned channel segment of Sheep Creek (#212-20-10040-2011) currently listed with its own AWC stream #212-20-10040-2011-3023 (unsubstantiated). Overall area appears to be highly dynamic the last 20+ years. Also updating and adjusting nearby hydrography of Sheep Creek under Nom #24-864. Updated hydrography data and most current imagery (2016) support removal of this AWC Stream, does not appear to have flowing water any longer.
