

# Alaska Department of Fish and Game

Habitat Section  
Southeast Region

**114-34-10100**

## **CORRECTION**

**Water body name:** Humpback Creek

**Survey date:** 7/8/2022; 9/26/2023

**Quad:** Juneau A-5

**Species & Lifestage:** CHp,COp,Pp,DVp

**Upper Reach Latitude:** 58.123037 **Longitude:** -135.784574

**Survey crew:** FC, DK

**Lower Reach Latitude:** 58.089013 **Longitude:** -135.573310

**Findings:** We surveyed this cataloged stream using baited minnow traps and GPS. We found that the stream path is incorrectly mapped and could be significantly improved in some areas by using a LiDAR-derived product.

**Recommendations:** Correct Stream No. 114-34-10100 in the anadromous waters catalog to reflect the field verified stream path. Also extend the downstream reach of stream into the intertidal (Figure 1).

**Nomination:** Pending
