**Emergency Order No.** 3-RS-10-06

### EXPLANATION:

This emergency order amends the schedule for the personal use dip net salmon fishery in the Chitina Subdistrict of the Upper Copper River for the period July 24 – July 30, 2006. The Chitina Subdistrict will be open from 12:01 A.M. Monday July 24 until 11:59 P.M. Sunday July 30.

### REGULATION:

### JUSTIFICATION:

During July 3 – July 9, there were 63,124 salmon counted past the Miles Lake sonar. The preseason projection for this period was 53,520 salmon, which results in an excess of 9,242 salmon. Copper River sockeye salmon migratory timing and the previous five-year average harvest and participation rates indicate sufficient numbers of salmon available to maintain the 168 hours of fishing time during the week of July 24 – July 30. Depending on actual numbers of salmon passing the Miles Lake sonar, future openings may be increased or decreased, accordingly.
