5 AAC 57.122 Special provisions for the seasons, bag, possessions, and size limits, and methods and means for the middle section of the Kenai River drainage area.

(1)(D) from 8:00 a.m., Tuesday, June 23, 2015, through May 1, 2016 The Russian River Sanctuary, including waters upstream from ADF&G regulatory markers located just downstream of the ferry crossing on the Kenai River to ADF&G regulatory markers located approximately 300 yards upstream of the public boat launch at Sportsman's Landing (including the waters around the upstream end of the island near the Russian River mouth) and the Russian River from its mouth upstream 100 yards to ADF&G regulatory markers is open to sport fishing.

Sam Cotten,
Commissioner

By delegation to:

Jason A. Pawluk
Assistant Area Management Biologist

JUSTIFICATION:

Through noon on Monday, June 22, over 26,000 sockeye salmon have passed the Russian River weir. Using early and average run-timing to project out the run through July 14, the Department has determined that the early-run sockeye salmon biological escapement goal (BEG) of 22,000 – 42,000 sockeye salmon will be exceeded. Based on this information it is appropriate to liberalize the fishery by allowing anglers the opportunity to harvest sockeye salmon in the Russian River Sanctuary Area.

DISTRIBUTION:

The distribution list for this emergency order is on file at the Region 2 Office of Alaska Department of Fish and Game, Division of Sport Fish, 333 Raspberry Road, Anchorage, AK 99518, (907) 267-2218.
