

PERSONAL USE FISHING

Emergency Order

ALASKA DEPARTMENT
OF FISH & GAME

Under Authority of AS 16.05.060

Emergency Order No. 2-RS-1-35-16

Issued at: Soldotna, July 21, 2016

Effective Date: 11:00 p.m. Friday, July 22, 2016

Expiration Date: 11:59 p.m. Sunday, July 31, 2016, unless superseded by subsequent emergency order.

EXPLANATION:

This emergency order increases the hours salmon may be taken by dip net in the personal use fishery at the mouth of the Kenai River to 24 hours per day.

REGULATION:

The provisions of 5 AAC 77.540. Upper Cook Inlet Personal Use Salmon Fishery Management Plan (c)(1)(A) are superseded by this emergency order. Under this emergency order, the following provisions are effective beginning 11:00 p.m. Friday, July 22 through 11:59 p.m. Sunday, July 31, 2016:

5 AAC 77.540. Upper Cook Inlet Personal Use Salmon Fishery Management Plan.

(c) Salmon may be taken by dip net in the Kenai and Kasilof Rivers as follows:

(1) in the Kenai River as follows:

(A) seven days per week, 24 hours per day;

Sam Cotten,
Commissioner

By delegation to:

Jason Pawluk
Acting Area Management Biologist

JUSTIFICATION:

The *Upper Cook Inlet Personal Use Salmon Fishery Management Plan* stipulates that the department may extend, by emergency order, the Kenai River personal use fishery to 24 hours per day if the department determines that the abundance of the Kenai River late-run sockeye salmon will be greater than 2.3 million fish.

As of July 20, 2016, the department projects the Kenai River sockeye salmon run will exceed 2.3 million fish and anticipates the optimal escapement goal (700,000 – 1,400,000 sockeye salmon) will be achieved. Therefore, it is warranted to increase the hours salmon may be taken by dip net in the personal use fishery at the mouth of the Kenai River.

DISTRIBUTION:

The distribution list for this emergency order is on file at the Region 2 Office of Alaska Department of Fish and Game, Division of Sport Fish, 333 Raspberry Road, Anchorage, AK 99518, (907) 267-2218.
