

SPORT FISHING

Emergency Order

ALASKA DEPARTMENT
OF FISH & GAME

Under Authority of AS 16.05.060

Emergency Order No. 2-RS-2-47-20

Issued at: Palmer, Tuesday, August 4, 2020

Effective Date: 6:00 a.m. Thursday, August 6, 2020

Expiration Date: 11:59 p.m. Thursday, December 31, 2020, unless superseded by subsequent emergency order.

EXPLANATION:

This emergency order closes Larson Creek and within a one-quarter mile radius of its confluence with the Talkeetna River to sport fishing for all salmon.

REGULATION:

The provisions of 5 AAC 61.120 (4)(a) are superseded by this emergency order. Under this emergency order, the following provisions are effective 6:00 a.m. Thursday, August 6 through 11:59 p.m. Thursday, December 31, 2020:

5 AAC 61.120. Special provisions for the seasons, bag, possession, and size limits, and methods and means for Unit 5 of the Susitna River Drainage Area.

(4) the Larson Creek drainage and all waters:

(A) within one-quarter mile of its confluence with the Talkeetna River are closed to sport fishing for all salmon;

Doug Vincent-Lang,
Commissioner

By delegation to:

Sam Ivey,
Area Management Biologist

JUSTIFICATION:

The sustainable escapement goal for sockeye salmon in Larson Creek is 15,000 - 35,000 fish. The weir count through August 3, 2020, was 2,765 fish, the lowest count on record for this date. The SEG range cannot be projected, even using late run timing models. Therefore, closing sport fishing for all salmon in the Larson Creek drainage is warranted to ensure the greatest number of sockeye salmon contribute to spawning escapement.

DISTRIBUTION:

The distribution list for this emergency order is on file at the Region 2 Office of Alaska Department of Fish and Game, Division of Sport Fish, 333 Raspberry Road, Anchorage, AK 99518, (907) 267-2218.
