

Help CFEC Serve You Better at this Challenging Time

CFEC and ADFG staff are hard at work trying to keep everyone fishing during the COVID-19 pandemic.

Due to current staffing challenges, we strongly recommend that folks utilize the [CFEC online licensing system](#) for quick and efficient service.

If you are unable to obtain your permit or vessel license using the online service, we recommend that you navigate to our [forms page](#) to download and print the necessary documents, which can then be mailed to CFEC. For your convenience, all forms on the CFEC website are now 'fillable' (type the information instead of writing – then print).

We really enjoy talking to fishermen, but in the current COVID-19 work environment, the less time we spend on the phone discussing forms, the quicker we can get down to processing your licensing needs and get you and your crew out on the water.

ONLINE LICENSING: <https://www.cfec.state.ak.us/Leon/#leon>

FORMS: https://www.cfec.state.ak.us/mnu_Forms.htm#permitforms

PLEASE HELP SPREAD THE NEWS.

Thanks, and be well!

Team CFEC
