

Base map produced by the United States Geological Survey 1955
 Revision by USDA Forest Service 1985. North American Datum of 1983 (NAD 1983).
 Topography compiled 1948. Planimetry derived from imagery taken 1965-1984 and other sources. Public Land Survey System and survey control current as of 1985.

This map is not a legal land line or ownership document. Public lands are subject to change and leasing and may have access restrictions; check with local offices. Obtain permission before entering private lands. Protracted land lines are predetermined by the Bureau of Land Management. Please consider carefully the fact that the geographic data may not be adequate for purposes requiring precision in depiction of geographic features, exact measurement of direction or distance, or for similar purposes including but not limited to navigation, tracking, or emergency response.
