- **August 5 – September 20**
 - **Residents**
- **August 10 – September 20**
 - **Nonresidents**

Take No Action

Proposal 165

**Open all resident hunting
7 to 10 days before nonresidents
in Region II**

Do Not Adopt

Proposal 165

- **No dates recommended**

Do Not Adopt

Proposal 166

**Open all resident big game hunting
7 days before nonresidents
in Region II**

**Take No Action
R IV Proposal 114 failed**

Proposal 166

- **No dates recommended**

Take No Action

Proposal 167

Open resident hunting (all species)

10 days before nonresidents

90 percent allocation to residents

No guide required

(sheep, brown bear, goats)

Increase tag and permit fees

Proposal 167

- **No authority for eliminating guide requirement (AS 16.05.407-408)**
- **No authority for increasing tag and permit fees (AS 16.05.340)**

Take No Action

Proposal 167

- **236 Drawing permit hunts**
- **74 Registration permit hunts**
 - **?? General seasons**
- **Don't forget small game, fur animals, others!**

No Recommendation

Proposal 167

- **Resident/nonresident allocations have been adjusted as board has considered individual proposals**
 - **Board policy 2007-173**
- **Department recommends continuation of this “case by case” process**

Proposal 168

90 percent allocation to residents

All drawing permit hunts

No Recommendation

R IV Proposal 116 failed

Proposal 168

- **236 Drawing permit hunts**
- **Kodiak bears (up to 60% residents)**
 - **Unit 14C sheep (13% NR)**
- **Some antlerless (100% residents)**

No Recommendation

Proposal 168

- **Resident/nonresident allocations have been adjusted as board has considered individual proposals**
 - **Board policy 2007-173**
- **Department recommends continuation of this “case by case” process**

Proposal 169

90% allocation to residents

All drawing permit hunts with 10 or more permits

100% to residents for permit hunts with less than 10 permits

Take No Action

R IV Proposal 117 failed

Proposal 169

- **236 Drawing permit hunts**
- **184 permit hunts with < 10 permits**
 - **Kodiak issue**
- **(most permit allocations are <10 permits)**

Proposal 169

- **Resident/nonresident allocations have been adjusted as board has considered individual proposals**
 - **Board policy 2007-173**
- **Department recommends continuation of this “case by case” process**

Proposal 170

**All Region II sheep hunting by drawing
permit**

90% allocation to residents

Set harvest objective of 40% of legal rams

Take No Action

R IV Proposal 115 failed

Proposal 170

- **27 Drawing permit hunts for sheep**
- **14C already allocated (25 hunts @13%)**
- **General season portions of Kenai Peninsula**
 - **No sheep hunting in GMUs 6 or 8**

Take No Action

Proposal 170

- **Resident/nonresident allocations have been adjusted as board has considered individual proposals**
 - **Board policy 2007-173**
- **Department recommends continuation of this process**

Proposal 171

Units 14C and 15

Divide allocation of nonresident drawing permits to limit “second degree of kindred” also known as “next of kin” (NOK) hunters to up to 25%

All species?

No Recommendation

Authors requested proposal to be withdrawn

Proposal 171

- **Board has been inconsistent with NOK allocations**
- **Kodiak model allocates NOK nonresidents from resident pool**
- **Other areas all non residents from same pool (this proposal 75/25)**
- **Yet other permit hunts do not allocate**

Proposal 171

- **Resident/nonresident allocations have been adjusted as board has considered individual proposals**
 - **Board policy 2007-173**
- **Department recommends continuation of this “case-by-case” process**

Proposal 171 Problems

- **Process to Identify and verify guides at the time of application**
- **Separate allocations of NOK nonresidents =separate hunt numbers?**
- **Permit hunts without NR allocations?**

Proposal 172

**Prohibit the take of wolves
March 2 through October 31**

**No Recommendation
Region IV Proposal 121 failed**

Proposal 172

- **Wolf trapping seasons:**
- **Units 6, 7 & 15 Nov. 10—Mar. 31**
- **Unit 14C Nov. 10—Feb. 28**

Proposal 172

- **Wolf hunting seasons:**
- **Units 6, 7, 14C & 15 Aug. 10—Apr. 30**

Proposal 172

- **Wolf trapping seasons:**
 - **Units 6, 7 & 15 ~1 month**
 - **Wolf hunting seasons:**
 - **Units 6, 7, 14C & 15 ~5 months**
- **Department recommendation**
No Recommendation

Proposal 173

Prohibit the snaring of bears in Region II

No Recommendation

R IV Proposals 104, 105 No action

Proposal 173

- **Currently no bear snaring allowed in any Region II GMUs**
- **No Recommendation**

Proposal 174

Prohibit the snaring of bears in Region II

Take No Action

Based on action of proposal 173

Proposal 175

**Establish no closed season no bag limit for
coyotes in Region II**

No Recommendation

R III Proposal passed

R IV Proposal passed

Proposal 175

- **Current Season (region-wide):**
 - **August 10—May 25**
 - **Bag: No Limit**

- **No Recommendation**
