Management Program

- Area Offices
- Frontline
- Management Support

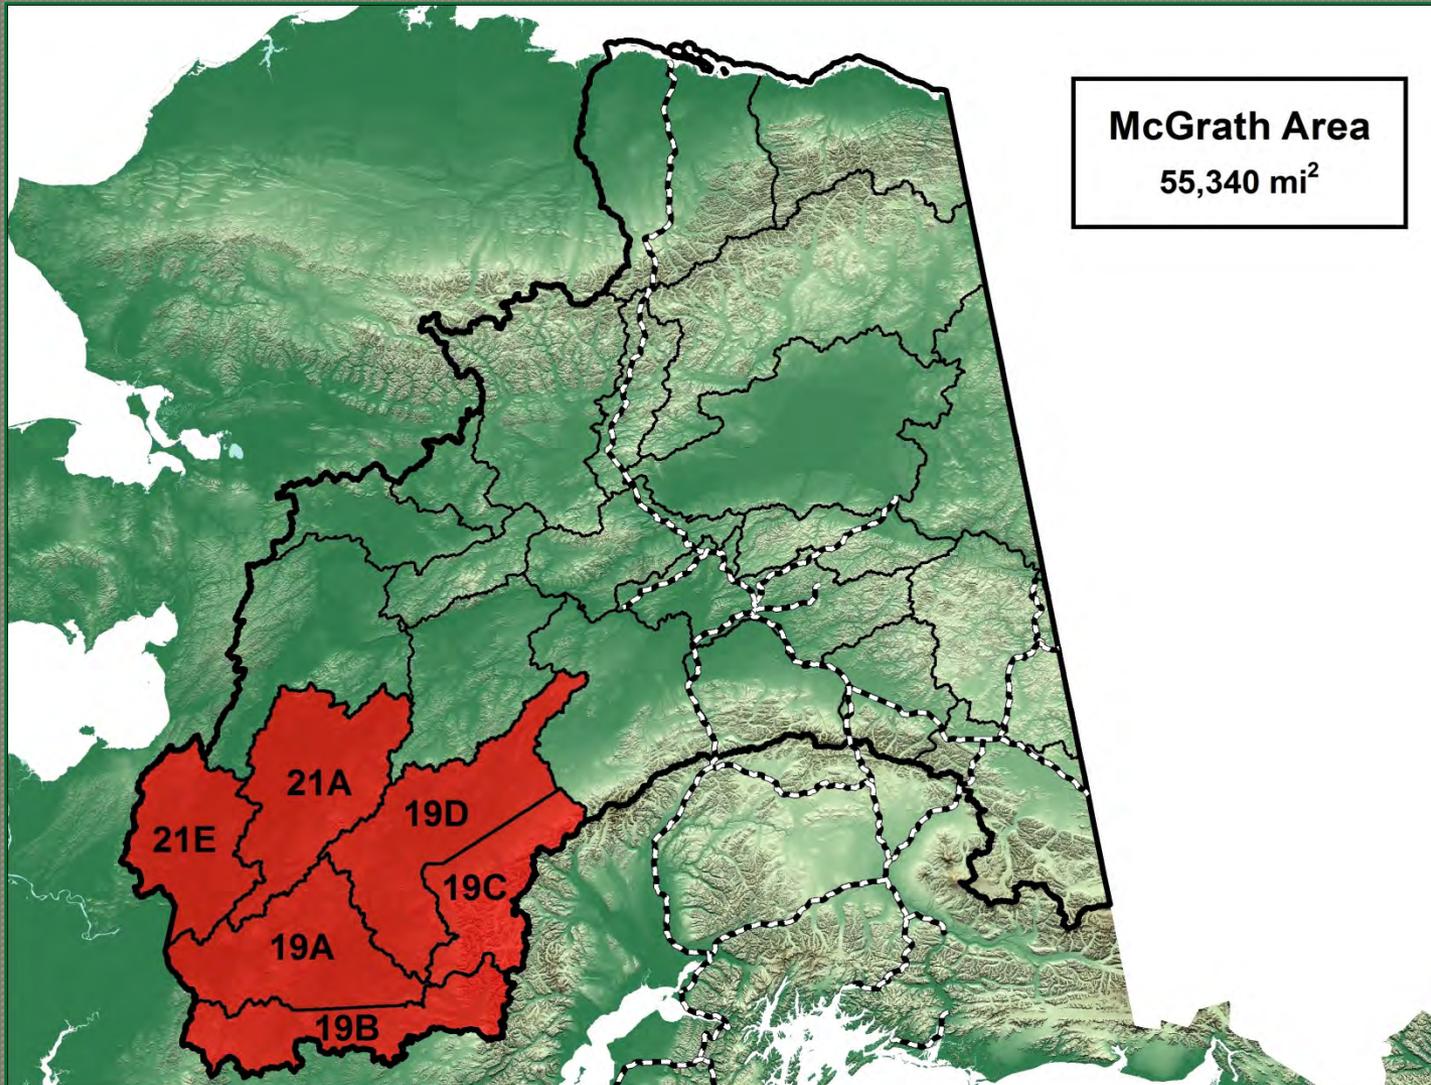

Dr. Roy Nowlin
Management
Coordinator

Doreen Parker McNeill
Assistant Management
Coordinator

McGrath Area

McGrath Area

Roger Seavoy
Area Biologist

Josh Peirce
Assistant Area
Biologist

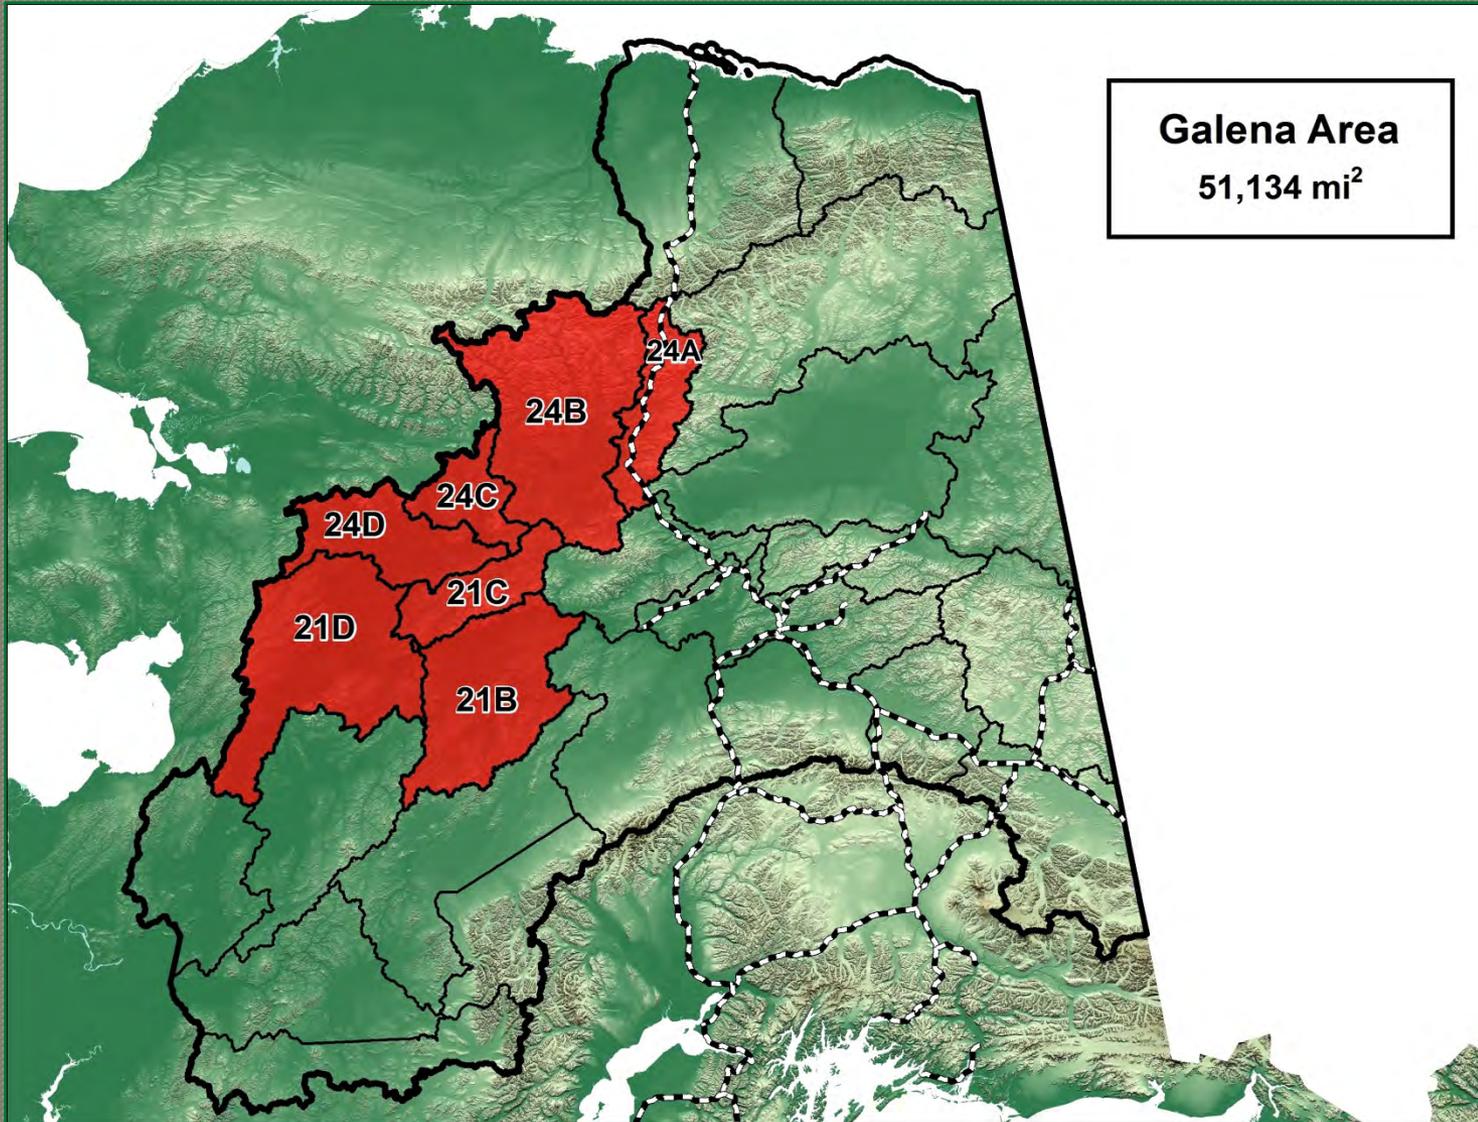

**Louise
Standish**
Fish and Wildlife
Technician

McGrath Area Proposals

- 3 moose (#59, #60, #61)
- 1 sheep (#65)
- 1 muskoxen (#66)
- 1 furbearer (#64)
- 2 intensive management plan renewals (#62, #63)
- 1 unit boundary change (#67)

Galena Area

Galena Area

Glenn Stout-
Area Biologist

Nate Pamperin
Assistant Area Biologist

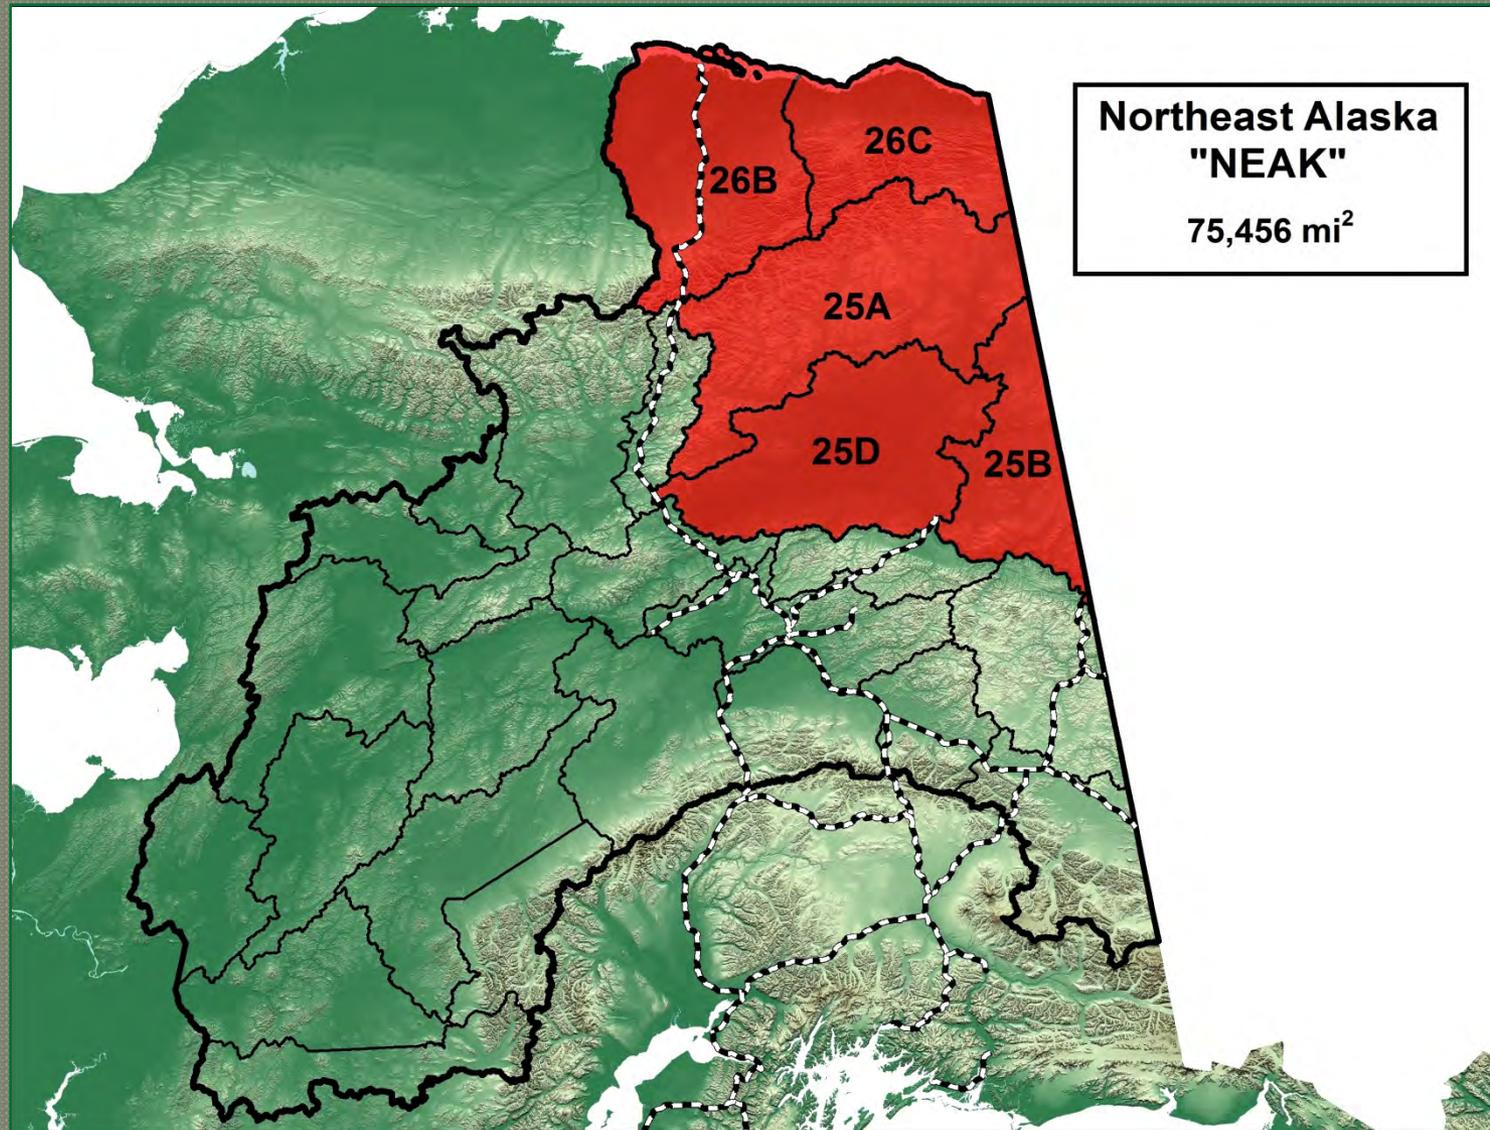

Stephanie Sweetsir
Galena Office Assistant

Galena Area Proposals

- 3 moose (#68, #69, #70)
- 1 brown bear (#72)
- 1 furbearer (#73)
- 1 CUA boundary modification (#71)

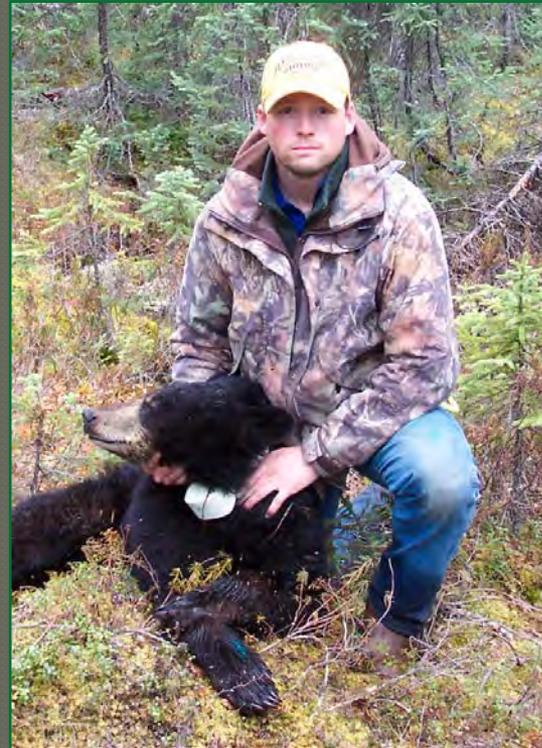

Northeast Area

Northeast Area

Beth Lenart
Area Biologist

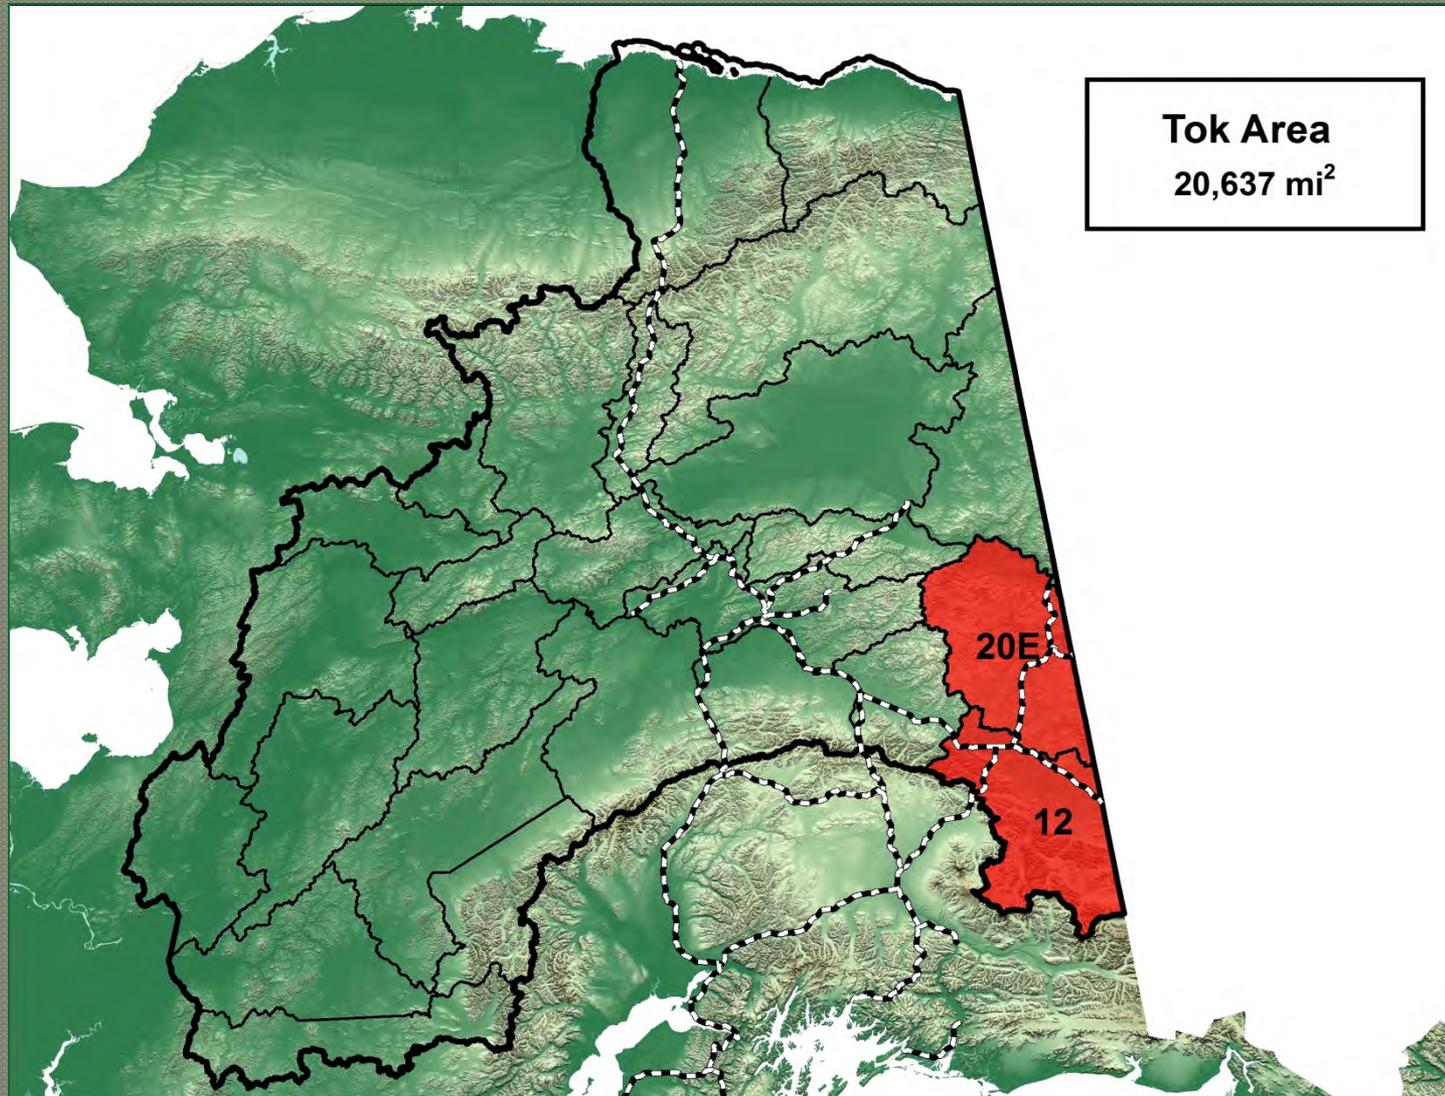

Jason Caikoski
Assistant Area Biologist

Northeast Area Proposals

- 2 moose (#78, #79)
- 2 caribou (#74, #75)
- 1 brown bear (#80)
- 1 Dalton highway corridor (#76)
- 1 Subunit boundary clarification (#77)

Tok Area

Tok Area

Jeff Gross
Area Biologist

Jeff Wells-
Assistant area
biologist

Bob Gingue -
Wildlife Technician

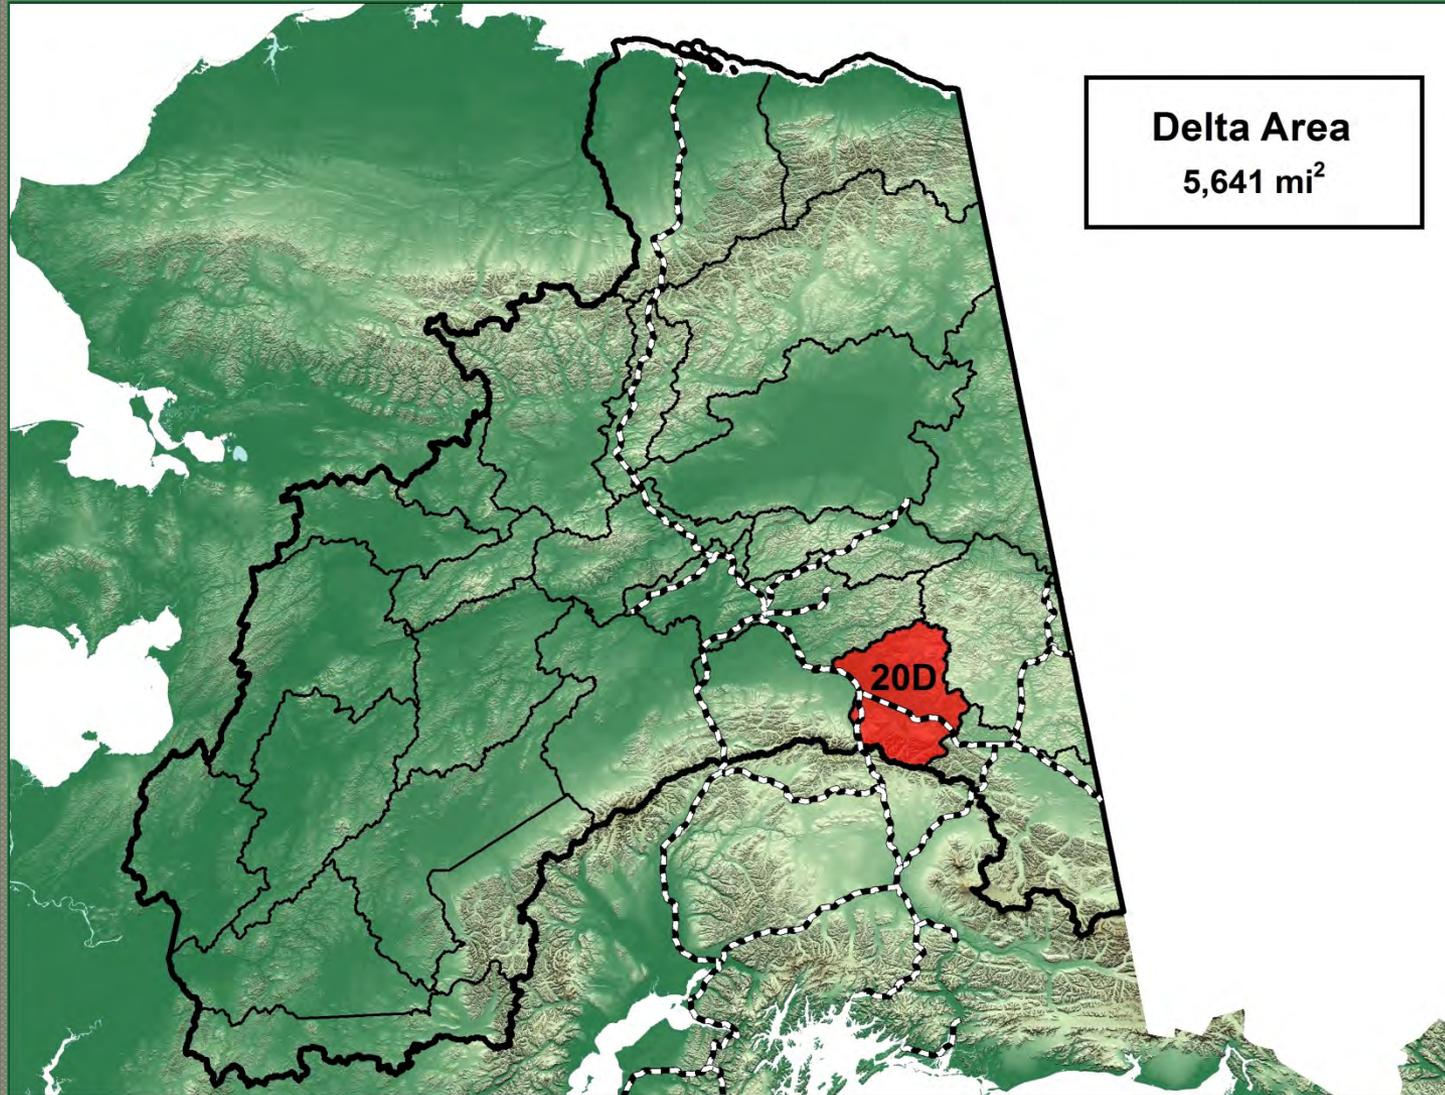

Tess Faulise –
Program Tech

Tok Area Proposals

- 1 moose (#86)
- 1 caribou (#85)
- 2 sheep (#81, #82)
- 2 black bear (#83, #84)
- 3 intensive management proposals (#87, #88, #89)

Delta Area

Delta Office

Darren Bruning
Area Biologist

Bob Schmidt
Delta Bison
Range
Technician

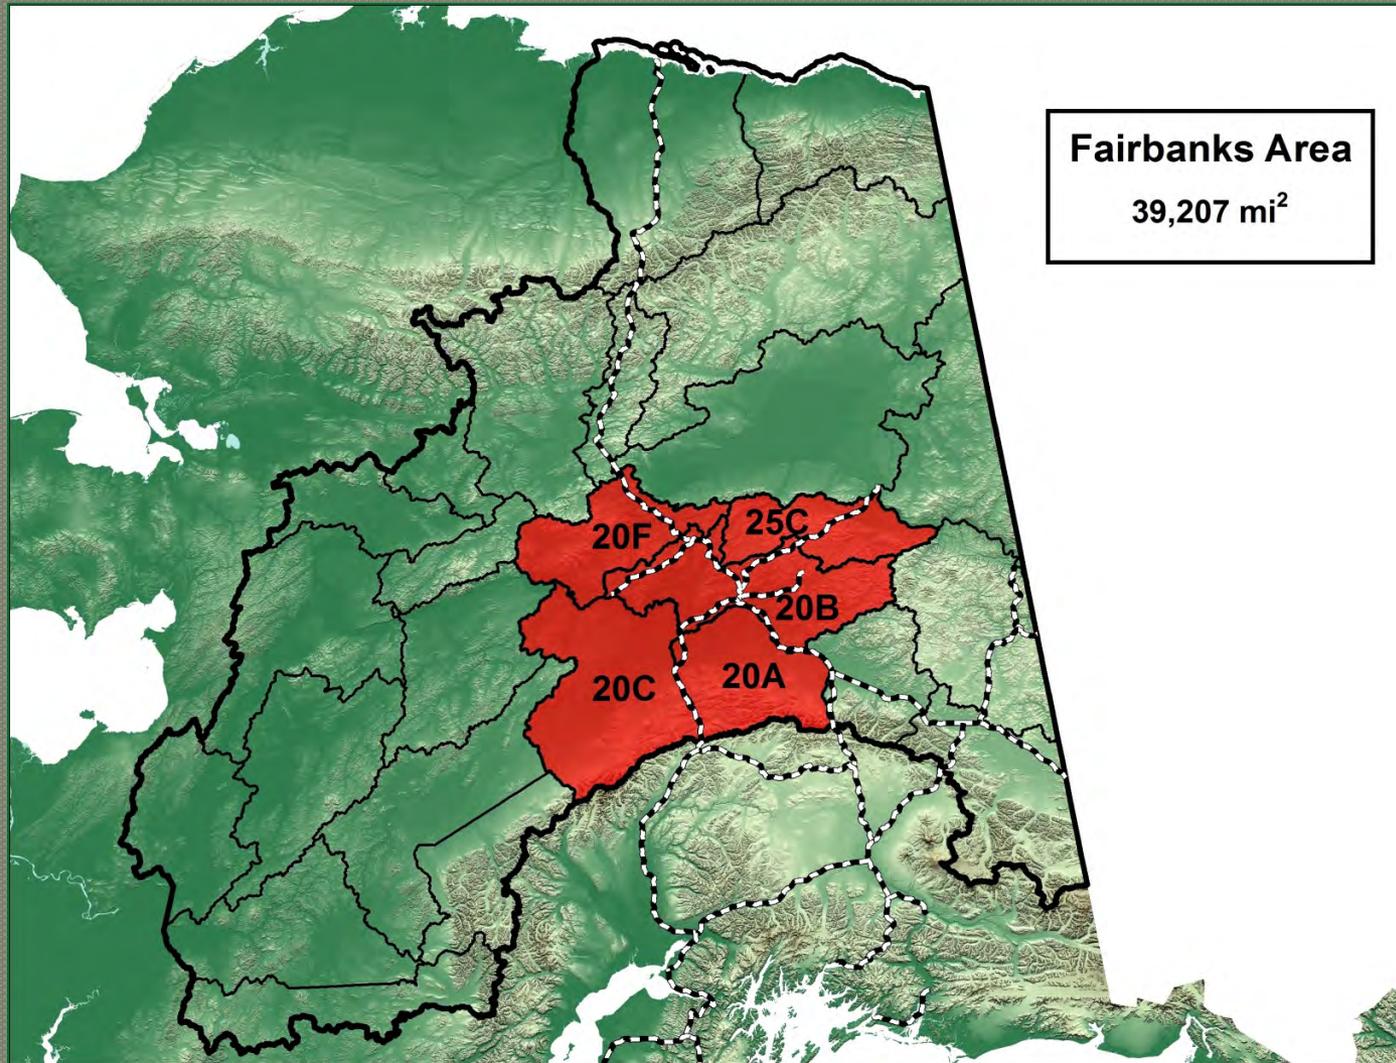

Ellie Mason
Fish & Wildlife Technician
SF & DWC

Delta Area Proposals

- 3 moose (#90, #91, #96)
- 3 caribou (#93, #94, #95)
- 1 bison (#92)

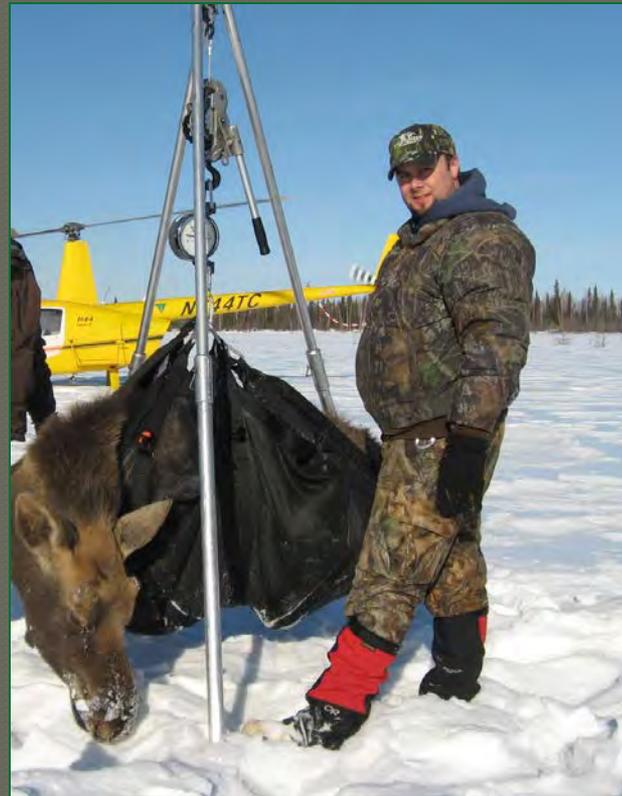

Fairbanks Area

Fairbanks Area

Don Young
Area Biologist

Tony Hollis
Assistant Area Biologist

Fairbanks Area Proposals

- 15 moose (#97, #98, #101-103, #106, #107, #109-112, #115, #118-120)
- 1 sheep (#113)
- 2 brown bear (#104, #105)
- 1 black bear (#114)
- 6 CUA (#99, #100, #108, #116, #117, #121)

Regional Proposals

- 1 caribou
- 8 sheep
- 3 brown bear
- 1 wolf
- 3 nonresident big game allocation
- 2 bear trapping

Management Support

Fairbanks Frontline

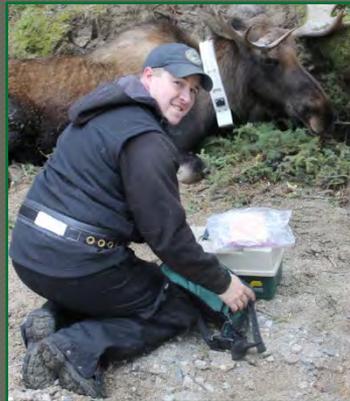

Jackie Kephart
Frontline Supervisor

Juanita Larner
Office Assistant

Fairbanks Frontline Wildlife Technicians

Carl Roberts

Jesse Dunshie

Marion Glaser

Management Support

Harvest Data and Permit Management

Jessica Wagner- Statistics Technician

Research Staff

Dr. Scott Brainerd
Research Coordinator

Dr. John Benson
Predator - prey

Torsten Bentzen
Caribou/ ungulate

Research Staff

Craig Gardner
Furbearer/ Carnivore

Kalin Seaton
Moose

Tom Paragi
Ungulate-
habitat interactions

Dick Shideler
Bear

Research Staff

Brian Taras - Biometrician

Dr. Martha Ellis- Biometrician

Laura McCarthy
Publications Technician

Regional Programs

Creamer's Field Refuge Staff

Cathie Harms
Media coordination and
Regional Program Manager

Laurie Boeck
Refuge Biologist

Mark Ross
Refuge education and public
outreach biologist

Status of Intensive Management in Region III

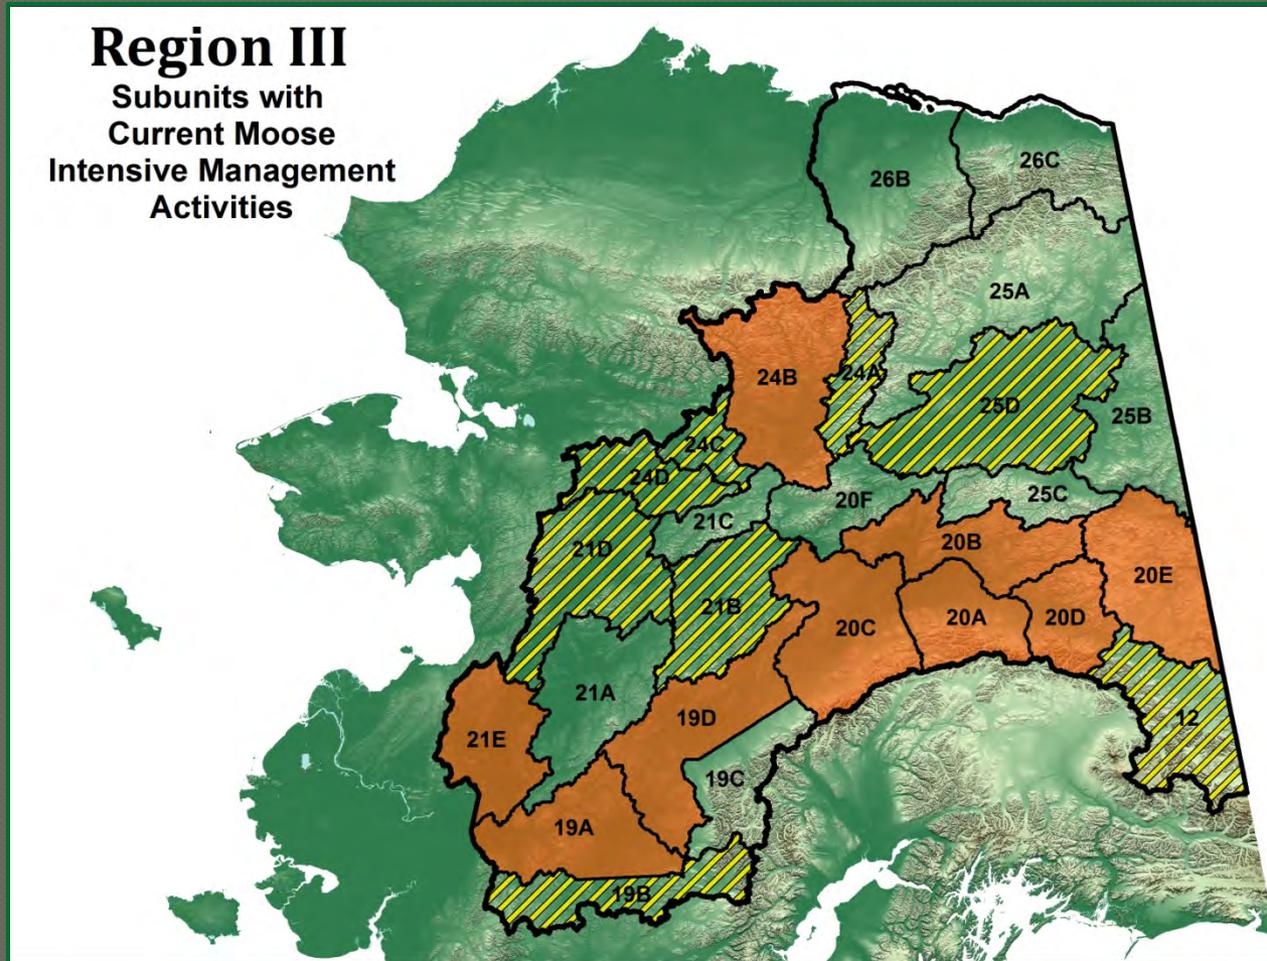

Subunits with Positive IM -Moose

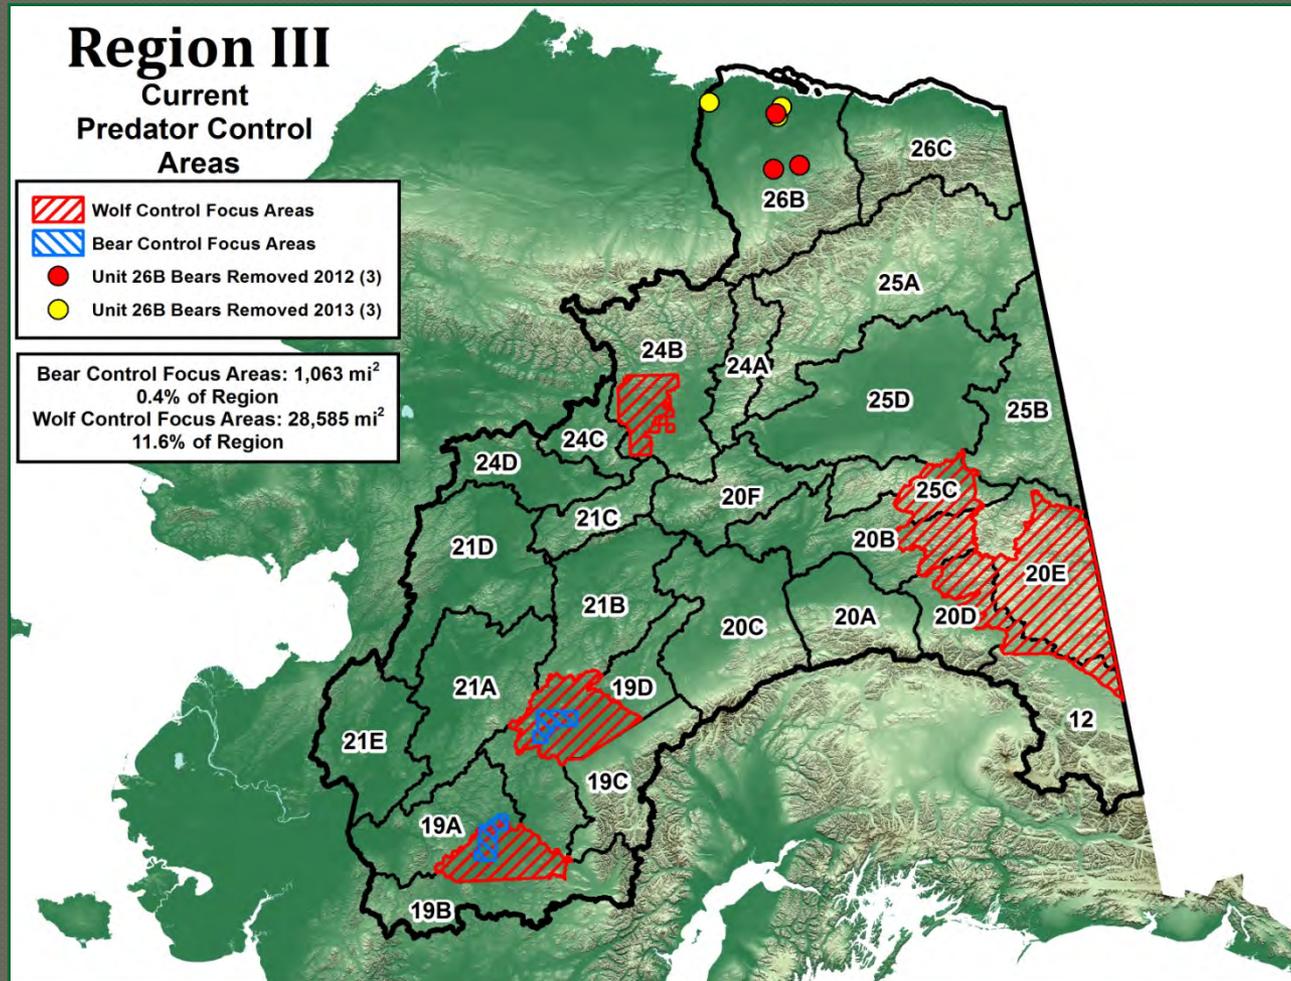

Positive IM – Caribou Herds

Intensive Management Activities: Planning, Data Collection, Predator Control

Active Predator Control Areas

IM and PC Monetary Costs, 2011-2013

Operating and personnel IM cost of all predator control projects in Region III

Year	19A		19D		UYTPCA		24B		26B		Total
	IM	Research	IM	Research	IM	Research	IM	Research	IM	Research	
2011	50.7	0.0	8.5	56.0	169.9	67.1	0.0	0.0	0.0	110.0	462.2
2012	35.7	0.0	50.9	39.0	396.5	80.3	137.5	0.0	149.6	22.5	912.0
2013	402.4	0.0	52.2	119.3	286.1	12.0	194.1	0.0	145.5	2.0	1213.6
Total	488.8	0.0	111.6	214.3	852.5	159.4	331.6	0.0	295.1	134.5	2587.8

Intensive Management

Unit 19A Bear Control, 2013

- Total cost: \$373.2 K

- Personnel: \$140.7
- Operations: \$232.5

Intensive Management

Impacts on other activities in Region III

- 19D research delayed
- Moose and caribou survey cancelled
- Management reports delayed
- Lesser priority cancellations
- Brooks range sheep cancelled
- 20B moose survey cancelled
- Moose twinning surveys

Intensive Management

Sustainability

- More Funding
- More Staff
- Wildlife Services
- Contracting

Intensive Management

Long-Term Strategy

- Survey and Inventory
- Intensive Management
- The Complete Program

The End
