Subject: In support of Sam Cotton
Date: Monday, January 05, 2015 9:31:29 PM

Mr. Haight,

Please accept this letter in support of Sam Cotton for the new commissioner of the Department of Fish and Game. As a longtime sportsman and charter operator, I believe Mr. Cotton has the diverse background necessary to adequately and fairly address today's issues. Others in my industry share this belief.

Thank you for your time.

Matt Kopec
