Subject: Sam Cotton for the appointment to Fish and Game

Dear Sam

I agree with Peter Narroz about Sam Cotten and as President of Camp 70 Alaska Native Brotherhood I would support Sam Cotten for the position. It is time we have someone who has not only was born here but knows what the state is all about. He has first hand knowledge of the resource but he also knows how important it is to the people of Alaska both as subsistence users and the commercial side of the fish industry. Please pass this on to who it may concern.
