Commissioner – Department of Fish & Game  
USA / Alaska

To: Human Resources,

This letter is to express my interest in the position of Commissioner – Department of Fish & Game. Based on twenty-five years of experience managing world class industrial operations and logistics, I am confident my managing skills would bring a new level of excellence to this position.

My resume that highlights my competencies and knowledge as an organizational leader in management, customer service and quality assurance is available for your review. I lived in Anchorage for 4.5 years, and I absolutely love Alaska. I am dedicated to my profession, and I can assure you my heart felt love and respect for the great state of Alaska is an ongoing light in my heart that will burn forever.

I have hunted & fished for more than thirty years myself, and I have a personal passion for wildlife conservation and the welfare of our great outdoors. I am a life member of the North American Hunting Club and Fishing Club. I am also a standing member of the NRA. I have extensive experience managing industrial operations where I excelled in logistics, warehousing, inventory management and supply chain. I was directly responsible for continuous improvement methodologies, process changes, procedure development and personnel management. I understand & emphasize the importance of project management & cost efficiency, and I am committed to a safe & secure environment.

It would be an honor & privilege to be considered for this position. I look forward to the opportunity to speak with you about my career & experience in more detail. Thank you in advance for your time.

Best Regards,

Gregory A. Woods
