COPPER RIVER PERSONAL USE DIP NET SALMON FISHING SCHEDULE:
JUNE 17 – JUNE 23

The Chitina Subdistrict will open for a 168-hour period from 12:01 a.m. Monday, June 17 through 11:59 p.m. Sunday, June 23.

As a reminder, the Copper River Personal Use Dip Net Salmon Fishery Management Plan and the Statewide Personal Use Fishing Regulations state that:

- The annual limit is 25 salmon for the head of household and 10 salmon for each dependent of the permit holder.
- Only one king salmon may be kept as part of the total household annual limit.
- Personal use fishers must possess both their Chitina Personal Use fishery permit and a valid resident sport fishing license when fishing. Steelhead cannot be kept, and must be returned to the water unharmed.
- You must record your harvest on the permit immediately.
- The tips of the tail of personal use caught fish must be clipped immediately upon landing a fish.
- Immediately is defined as before concealing the salmon from plain view or transporting the salmon from the fishing site. Fishing site means the location where the fish was removed from the water and became part of the permit holder’s bag limit.

The Copper River personal use fishery is managed under direction of the Copper River Personal Use Dip Net Salmon Fishery Management Plan (5 AAC 77.591). The plan establishes the season from June 7 through September 30, and directs the department to establish weekly periods based on Miles Lake sonar counts. During June 3 – June 9, there were 169,200 salmon counted past the Miles Lake sonar. The preseason projection for this period was 100,533 salmon, which results in a surplus of 68,667 salmon. Copper River sockeye salmon migratory timing and the previous five-year average harvest and participation rates indicate sufficient numbers of salmon available to maintain 168 hours of fishing time during the week of June 17 – June 23.
All residents of Alaska qualify to participate in this personal use fishery. You must have a Chitina Personal Use Salmon Fishery Permit and a resident Alaska sport fishing license when dipnetting. Both dip net permits and fishing licenses can be obtained online at https://www.adfg.alaska.gov/Store/. A $15 fee is charged for the Chitina Subdistrict personal use salmon fishery permit. Revenue from the fee supports the sanitation services at the fishery and trail maintenance from O’Brien Creek to Haley Creek.

The department urges dipnetters to respect the rights of private landowners in the area and know the regulations before fishing. For information on access across private lands contact Chitina Native Corporation at (907) 823-2223.
