The following area will be open for the commercial harvest of geoduck for live sale **with no harvest limit from 8:00 a.m. to 4:00 p.m., Wednesday, February 17, and from 8:00 a.m. to 4:00 p.m., Thursday, February 18, 2021:**

Cone Island North (Subdistricts 103-50-005, 104-40-005): will open for a remaining harvest of 130,000 pounds of geoduck.

Fishermen are reminded that unless otherwise specified, regulations regarding the geoduck fishery are stated in 5 AAC 38.142: Southeastern Alaska Geoduck Fishery Management Plan.

For a description of the above areas, please refer to the Southeast Alaska commercial geoduck fishery announcement dated September 21, 2020, announcing the open areas and their guideline harvest levels. All companies buying geoduck clams must contact the Fish and Game, Ketchikan office with a harvest report before 12:00 noon on Friday, February 19, 2021.

The Emergency Order corresponding with this announcement is EO 1M1321.

Under Alaska's Health Orders 5, 6, and 8, commercial fishing is an Essential Business and is part of Alaska's Essential Services and Critical Infrastructure. Commercial fishermen should ensure that all travel and other activities in support of commercial fishing operations follow protocols in Alaska COVID-19 Health Orders. COVID-19 Health Orders may be found here: <https://covid19.alaska.gov/health-order/>.

ADF&G offices remain open but will be minimally staffed as many staff will be working from home to help slow the spread of COVID-19. The most efficient way to communicate with department staff will be through email. A list of contacts and contact information is provided below. If you need to conduct business in person at an ADF&G office, face coverings and strict social distancing is required.
