**SOUTHEAST ALASKA COMMERCIAL SHRIMP BEAM TRAWL FISHERY  
CLOSURE**

The commercial shrimp beam trawl fishery in Registration Area A (Southeast Alaska) will close by regulation at **11:59 p.m. on Monday, February 28, 2022**, consistent with 5 AAC 31.111.

Alaska Department of Fish and Game (department) shrimp beam trawl fish tickets must be submitted to a department office within seven days of the closure. Fishermen are reminded that catcher–sellers intending to sell shrimp to persons unlicensed to process shrimp (i.e., dock sales) must fill out a fish ticket indicating the weight of the shrimp onboard, by species, before any shrimp are removed from the vessel [5 AAC 31.143(d)]. The shrimp beam trawl fishery will reopen May 1, 2022, for the 2022/2023 season. Guideline harvest levels will be announced in a pre-season advisory announcement in April.
