**2023 SOUTHEAST ALASKA DRIFT GILLNET AND PURSE SEINE
TASK FORCE MEETINGS**

The department holds annual meetings each year with fishery managers, fishery researchers, hatchery operators, fishermen, fishing organizations, processing company representatives, and any other interested parties to review the previous salmon season, discuss topics of importance for management of the fisheries, and plan for the following season. Task force meetings have rotated between communities to provide increased access and participation. This year, the Drift Gillnet Task Force meeting will be conducted in Wrangell, Alaska at the Nolan Center and virtually via Zoom™, and the Purse Seine Task Force meeting will be conducted entirely virtual via Zoom™.

To attend the meeting(s) via Zoom™, a Zoom™ account or app is not needed. Participants can attend by clicking the below link or entering the meeting link into a web browser and register for the meeting. After you register, an email will be sent to you containing information about joining the meeting either virtually or telephonically.
