**SOUTHERN SOUTHEAST OUTER COAST (SSEOC) SECTOR DIRECTED  
LINGCOD FISHERY CLOSURE**

The directed fishery for lingcod will close in the entire Southern Southeast Outer Coast (SSEOC) Sector at 11:59 p.m., Friday, June 6, 2025. The 2025 directed lingcod fishery guideline harvest level (GHL) for the SSEOC Sector is 50,100 round pounds. Based on reported landings and communication with the fleet, the department anticipates the GHL will be taken at the time of the closure.

The directed lingcod fishery remains open in the Icy Bay Subdistrict (IBS). Lingcod catches will be closely monitored, and fishers should expect additional area closures on short notice. Closure notices will be announced by ADF&G advisory announcement, United States Coast Guard marine broadcast, and the National Weather Service marine broadcast.

Updates of area closures for all lingcod fisheries are available on the Groundfish Hotline at 907-747-4882. For additional information on the directed lingcod fishery, refer to the ADF&G advisory announcement issued on April 14, 2025.

The emergency order corresponding with this announcement is EO 1G1025.
