COMMERCIAL FISHING TO OPEN IN NORTON SOUND SUBDISTRICTS 1-3

Commercial salmon gillnet fishing will open for 24 hours in Norton Sound Subdistricts 1 through 3, the Nome, Golovin, and Elim Subdistricts.

- Subdistrict 1, the **Nome Subdistrict**, will open to commercial salmon fishing from 9:00 p.m. Wednesday, June 25, until 9:00 p.m. Thursday, June 26.
- Subdistricts 2 and 3, the **Golovin and Elim Subdistricts**, will open to commercial salmon fishing from 6 p.m. on Wednesday, June 25, until 6:00 p.m. Thursday, June 26.
- All commercial fishing periods are directed to target chum salmon with gillnet mesh size restricted to 6 inches or smaller.

The outlook for chum salmon in the northern sections of Norton Sound is expected to be similar to last year and a harvestable surplus of chum salmon is available for directed commercial fishing.

Permit holders are reminded to ensure they have a market for their catch.

This commercial fishing period does not affect current subsistence fisheries schedules, restrictions, or closures.
