KODIAK COMMERCIAL SALMON FISHERY UPDATE #02

The Alaska Department of Fish and Game (ADF&G) in Kodiak is requesting bids to charter one purse seine vessel for salmon test fishing, primarily near Ayakulik River on Kodiak Island's southwest side. The charter involves up to four weekly trips in June, with a minimum of three standard purse seine sets in the Ayakulik Sections. The vessel must accommodate at least two ADF&G staff per trip and have sufficient deck space for a king salmon live box.

Quotes will be based on a percentage of the dock value. The max bid will be up to 50% of the dock value. Verbal or written bids must be submitted by noon on Friday, May 22, with the contract awarded immediately to the lowest bidder meeting ADF&G requirements. ADF&G may reject any or all quotes. In the event of tied low bids, the earliest submitted bid wins. Fishing will occur only at times and locations set by ADF&G in collaboration with the selected contractor. If you are interested in finding out how to bid, please contact:
